Hey Jason, thanks for keeping me up to date on this site. I'm meeting with my division director today to discuss CAFOs and I'm guessing that this site will come up. I wanted to confirm that Supreme Beef is claiming that they are a large CAFO that will not discharge and therefore is not applying for an NPDES permit. And, that they have submitted the NMP because IA requires all large open feedlots to submit an NMP regardless of NPDES permit coverage.

Thanks,
